Chalk up one more hurdles win for Audrey Sholander, who is on her way in the 100 highs at North Dickinson, over the Nordics' Heather Roell. Trojan teammate Georgie Dohl finished fourth.

CRYSTAL FALLS—In their final tune-up before the Skyline Conference tournament, Forest Park's boys and girls track teams both finished second during a four-team meet held at North Dickinson May 22.

The meet, let's face it, was more relaxed than most. Many students didn't run in their normal events, opting to try out others instead. For example, the girls sprint relay team ran the two-mile relay, and vice versa.
