Jacob Tomasoski was proud to harvest an eight-point buck and be pictured with former Detroit Lion Tony Semple at the Muy Grande Ranch in downstate Millersville. The hunt was made possible through the Tony Semple Foundation for Hope that provides unique hunting or fishing outdoor experience for today's life challenged youth. Jacob was one of nine other hunters who each harvested a buck at the ranch. He was using a Thompson 243 rifle on Oct. 16 when he took the eight-point buck that dressed out at 215 pounds.
